

CAF Minnesota Wing

Standard Operating Procedure

CAF MN Wing Official Member Uniform

Purpose: Create a uniform and professional appearance for visitors of the museum as well as on location at off-site events.

Mission Requirements: The uniforms are to be used both at home (for wing events) and on the road (for air shows or any other functions). Mission dependent, any or all uniforms may be required. The Mission Commander or Event Coordinator will inform you as to requirements for events and functions. On normal work days (Wednesday and Saturday) it is recommended to wear one of the uniforms depending on the task of the day.

Serviceability: Uniforms will be in a presentable and serviceable condition. Uniforms shall be free of tears, excessive staining, and shall not be discolored or overly faded.

Other uniforms: Period correct uniforms/outfits (WWII or Korean, depending on requirements) are encouraged. An emphasis on authenticity is required. Uniforms shall be coordinated with Mission Commander or event coordinator.
